NOVEMBER - MONTH OF THE HOLY SOULS

"It is a holy and wholesome thought to pray for the dead, that they may be loosed from their sins." 2 Maccabees 12:46
Mass offering envelopes at church entrances.
Please pray for the Holy Souls

Prayer for the Holy Souls

Eternal Father, I offer You the Most Precious Blood of Thy Divine Son, Jesus, in union with the masses said throughout the world today, for all the holy souls in purgatory, for sinners everywhere, for sinners in the universal church, those in my own home and within my family. Amen.

Reflection Our Lord tells us that there is a time when [money] fails, for the man who has money is only a steward. Death says to every man: "Give an account of your stewardship for you can be steward no longer" (Lk 16:2). Money simply cannot be transferred to the world beyond. Here we come to the purpose of money according to the Saviour. Give away money to those who are in need, for by relieving their necessity you will make friends of those who will intercede for the salvation of your soul. Money will not buy heaven; but it will make friends for us that will help us when we fail. "Inasmuch as you did it for the least of these My brethren, you did it for Me" (Mt 25:40). Those who have been helped by our charity will lead us before the throne saying: "This is he of whom we have spoken and who did so much for us in the life below." The Christian way is to use money that those who are helped may be our intercessors in heaven. A wealthy man once told his maid to give away to his neighbours the fruits from his garden in order that she might make friends of them. Wealth thus becomes worthy of its name, which is weal. There is much money given away, but little of it is used for the soul. Some give it away in order to have their name glorified on the door of a hospital or a university. Men who have had very little education are conspicuous for endowing libraries that they might create the impression of being learned, which they are not. Our Lord said: "Let not your left hand know what your right hand gives" (Mt 6:3). This was followed by the second principle of giving: The gift must be offered for a Divine reason. The cup of cold water will be given a reward a hundredfold if it is given in Christ's name. There is so much giving that is wasted because it is not done for the soul. The world thinks that the highest things must be used for the lowest, for example, the intellect to make surplus wealth. The man of God believes that the lowest must be used for the highest, that is, money must be spent to help spread Divine Truth, to solace the afflicted and to cure the sick that their souls may be free to work out their salvation. The truest answer to "You can't take it with you" is: "You can, provided you give it away." Then it is stored up as merit in the next life.

Venerable Servant of God, Archbishop Fulton J Sheen
